

CONNECT / CREATE / COMMERCIALIZE

It's both our tagline, and our recipe for success.

Whether you're an entrepreneur with a new venture, a seasoned executive helping to grow an established business, or a small team of inventors with a game-changing idea. You're all innovators, and all with the same goal. To get your product into customer hands.

Fortunately, you have 401 Tech Bridge on your side.

APPLICATIONS OPEN

401 Tech Bridge and MassChallenge introduce their BlueTech Accelerator

This is a high-intensity, 6-week program designed to support strategic industry exposure with defense procurement offices, government agencies, and investors.

Weekly sessions with access to relevant experts, mentorship, and pitch opportunities. Finalists will also benefit from connections to a tightly knit BlueTech community and alumni network.

If you are a Blue innovator and/or your startup addresses one of the challenge areas below, we highly encourage you to apply. Applications open until September 1st.

Be Part of the Buzz...

Engage with industry, government and academia. Network with entrepreneurs, prime contractors and venture capitalists in a one-on-one environment. To date, NUWC / NASA / URI have confirmed their participation to showcase innovations and learn about the commercialization of ideas.
